Subject- Appreciation letter for your support and collaboration

Respected Sir,

Greetings from the team Be and Make- Be the Change and Make the Change!!

I hope this message finds you well. I am writing this letter to express my sincere appreciation for the Financial Literacy Training Program conducted at your college on 14/03/23. Our one of the verticals 'SWAYAM'-provides financial information about many government schemes and also empowers women by making them understand the importance of doing savings. A financially literate woman can make decisions of their own. The program was held successfully under your support and we hope that the discussed topics have benefitted your students as well.

I would like to commend you for your support for providing such opportunity to conduct the program in your college. Your efforts are deeply appreciated and we look forward to more such programs in the future.

Thanking you,
Regards
